well now Pat. here's the  
 idea. The General may  
 be allowed to bring out  
 2 horses to the Dandelles.  
 So when the order comes  
 you are to bring out  
 "Street Thorpe" and my horse  
 "Blackneck". as the General  
 thinks "Blackneck" would be  
 better than his other chestnut  
 horse.  
 This show ought to be  
 good fun & I hope you  
 will be out soon.

as I know you are not  
fit to be left alone in  
France now that house  
& I will not be there to  
keep you out of mischief.  
How is himself the  
"Grand Calot" - Just stand  
to attention & salute him  
from me. - Love to Sally  
and Bert: Fisher & to  
you boy why I hope it's  
an revoir.

Yours. Adress.
