Wednesday.

My dear Maurice

I am pleased to  
hear you are back  
again. Is Mr V hand  
that is making  
you sick? If you  
are not-able to come  
over I'll go to see  
you for a couple  
of days if possible

The men on the  
line here are going  
to strike today or  
tomorrow so I may  
not be able to travel  
but the messenger  
going into Thurles  
tomorrow will bring  
me back news -  
no answer to the  
wire I sent you  
this morning

perhaps you are  
away - If you are  
able to come over  
we could have a  
couple of days at  
the scrips - I is  
trying very hard  
this evening - write  
me when you get time  
& tell me V plans  
as I can only get  
away for a couple  
of days, tell me

When you are certain  
to be at - Folkestone.  
Best of good luck  
to you  
Y<sup>r</sup> loving  
Sir.
