

April 16.

My dear Mr. Mrs.

I got a letter of the 14<sup>th</sup>

from you to-day. Grand and quiet letters come

now. Your guess isn't quite right. Try

about 15 miles S. W. of No 2. But you're

not far out. Not much news here, things

very quiet. We had a conference this

morning. We left her at 2.30 with the

6 Boarders & went round the benches. They were

back about 5 or but I had a lot to do

& didn't get back here till 8.30. I have

just finished work & am going to bed today

soon. We have just had electric light

but it is not what makes the office very nice. This

is the best night. It is worked from the

Signal office & laid on it here. Great morning

And make sent a difference working at night. It  
was out at 11.30 so I have read time.

No news yet from the Colonel. I'll wait a bit

& will then write again as you suggest. I will

send you the letter before I send it to him.

Your suggestions are awfully good.

See now that he will write.

Thank you so much for the gloves they

are splendid & just what I want.

I don't think I told you that I  
heard that Anne would like to come out. Paddy

loves it. But my old man matters is

quite good. He is a huge good fellow, looks

like a labourer but is awfully keen to

do what is wanted & looks after me really

very well. I will send those photos of myself

2.

back to you. I don't think they are bad

at all. Many see me a photo of himself

the other day, not at all a good one of him.

I hope Jane has /a at the Adamsons.

Tell her that Luther is on the Cooks Staff

he married Ellen Phillips. She stayed

with them at Cambridge

The life is dying so I must go.

Best love dear you Mrs.

Your loving

Pat
