My dear Rosalie

I heard from my  
Gen: & he writes  
as the 2<sup>nd</sup>. & saying  
how well Pat was  
doing his job on the  
Staff. & not hinting  
at any change. etc

Some how I think he  
will. Beer. New Coll.  
holds on (D. F.) was here  
yesterday & I told him  
what. Theed, he went on  
& he said I don't think  
he'll leave - & was  
full of praise of Pall-  
& what a real piece

boy he is. I feel this  
will please you. I'll  
it would please me if  
it was my Boy! Nothing  
the matter, if they  
are really nice of good!  
Let me know if I  
hear anything for  
Carpenter, so I do want  
Put to the Doll

hunting I have written  
them at St. Paul & what-  
ever you see. I  
write as one brother  
to another.

Yours

Lila
