

June 12.

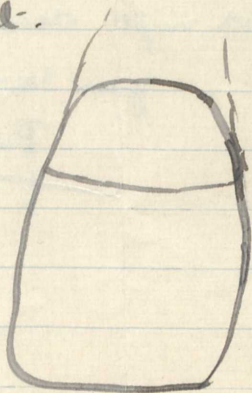

My dear uncles.

Just a brief scribble
before bed. The Gun & Body Winder
got back about 12 in last night.

M. seems a real good sort. It is great
getting someone like that.

A real striking day all to-day.
it has been raining a c off all day &
awfully cold.

Will you look among my
kit & see if you can find a compass.
It's in a little leather case with a
stick or it.

That sort of shape only bigger. Send it

along as soon as you can. I can't
quite remember what it is. Try first
the black tin box.

The General was very
disappointed at not having seen you.
Dad him a little like bonding - say
how sorry you were to miss him.

I heard from Brook Co. day.
He is very fed up with life. He
around his little and the led it to
you. I got my 13 or 14
Lynchville Co. day. Good work
that.

Good night dear in the

Your loving

Pal -
