

Nov 20 1916.

My dear wa Jess.

I thank you so much for your letter. I sent June's letter back to you in Mus's last night. I'm very disappointed that she won't go and stay with you.

The old herd is doing famously. They canned it yesterday and it has made great strides.

I'll write again when my
old hand is better this is
a lot sided affair.

Will you thank Borkham
for her letter.

Best love dear wa Jess

Your loving

Pat
