My dear Mrs.

I got a letter from you  
to night. I'm so glad you had a talk to the  
girl. I'm sure it will do her good. It's a  
great pity she has that cross but I hope she  
will get out of it. It's a great thing we

shook anyway. Dear Mrs. you are surely  
glad with her. I wish she wasn't living  
with that kind old woman, she's a real nasty old  
bitch & doesn't really give her a chance.

I wonder when she will go and  
stay with you. Soon I hope. Don't ask her, just  
let her suggest herself.

The Gen Col Fuller & I went to  
an old artillery demonstration this morning, I  
was awful wet and chilled cold.

After lunch I went for a short ride  
with the Gen & Bobby. The Gen came in  
& Bobby & I went on. We had a lot of

had a bit of a jolt. The light was very bad  
e we had an awful job to wait her, we went about a  
mile and then lost her. However it was good value.

We go forward to narrow. I'm sorry to  
hear the town as we are so empty.

How dear I don't care about the  
job but I suppose it is a good thing to do.  
I'd much rather be back with the Bde.

However it is a good thing to leave the job  
and I will go back to the Bde when Ovey  
comes back. I haven't seen my General  
yet but hope to soon.

You addressed my letter wrong  
you should address it Gen Staff.  
29<sup>th</sup> Div.

Don't put in the Bde as it goes then  
so causes delay. I wonder I haven't heard  
from the girl as I expect she wrote to me  
the same night as you did.

Melody & Gusta arrived to-day both

2. Looking awfully fit. In thinking of changing

Centra for a nice big five year old of Fuller.

It is a great horse after a year. The best I have

had or yet except Melody. Had made a

real nice horse. I haven't done anything yet

but am just thinking about it. I expect

that Fuller would be quite willing to do it

as he looks on his horses as bicycles.

Well now then I must go to bed

now.

Best love dear you then.

Your loving

Pat =
