My dear old Pat.

I do wish I could have
seen more of you, I had
to rush away at the Berkeley
the other night as mine was
standing waiting + my sister
in-law had asked me
particularly to meet her
that night as she
was going to France.
I am so glad I saw
you old boy and it

gives me such pleasure
to see you so happy
I like your Francis awfully
she seems such a good
sort & that means a lot.

Do write still me all
you are doing, I loved
seeing you again,
you are still my
best pal Pat and

always will be.
Goodbye dear old boy
& I hope you will
be awfully happy

Yours as ever
Brock
