

6th May

Dear old Pat: How sickening unless it
 seems to have. But you should at the
 least stand for my again & I think that
 undoubtedly what did they put into
 you? & to see you would stay just
 when it does you begin to see the
 as well as being in bed all day & then off
 to go to the Brigades. It is no way to let
 really say what villain as he always
 felt that man used for hours up and
 only, I told you that!! & it is indeed true
 for what he said to you!! London will tell
 send it up. you now villain should!!
 was it a brother of your present man who
 had it at the book & he took his wife to
 us? it is at the same name (to the I think
 it will be) I am glad he is even as you
 know & like. It is like Gene W. G
 has you as G.S.O. 2. - you go. Please at the

The 2nd 6th - I understand you are related
 again yesterday or with a fight making the full
 side. work & know. I wish you had for
 done & talk to me instead of just there. as it has
 had the due share of the help getting serious
 in! I can't make out where your Brigade -
 the Division is now if still at Wendy or with
 Julia can't either & with back me. de side
 with to be a 30th saying well this is what
 says "I don't think they are in it as in Beau
 with to be a 30th just going up. as I suppose
 they are in friendly attack. The 30th will
 they 4th. let you of 1st don't give me this
 idea at all. your Arms as if you were
 back a bit. can't make it out. London
 when the 30th Division is. by & tell me that
 something is that die know when you are if
 do go as S.O. 2. London will be with the
 he said he would see to you & did it! I
 hope he does as they say collector!! of he
 says anything like!! your enquiries are
 good & take a lot of news & the letter for 66
 86 B. is it for the Club or who. don't forget
 understand that unless it is that some letter
 he might not be interested. as a letter under no

In get for them! News are very short like
 letters. I've got to know her by them. I'd
 like to have her today without you in time
 left - really how all about her a what she
 like. she loves her riding much to get
 really good. she tells you today that she
 is going out of town in July a kept for
 the a month into the Park in a month
 long visit, she don't know which month
 the C. wants, but so can't tell her how the
 she don't know. I've seen to have
 had Eric fighting for the don't like to
 I wish we could get her somewhere else or
 if seen to stay round you part! it seems
definitely fighting now simply going a little
 the side is done as far as I gather from
 the papers or until its dark. we haven't
 attend on plans for going to perhaps it
 it probably will go out of this week. I'll
 tell you of course as soon as he settles

God bless you and your old Pat. I hope the
 blood fighting unless it gets in hand!
 I love you both
